GEORGE COX, Owner  
Grand Forks, N. Dak.

LESTER JOLLY, Manager  
Breckenridge, Minn.

Jimmy Stewart, Herdsman

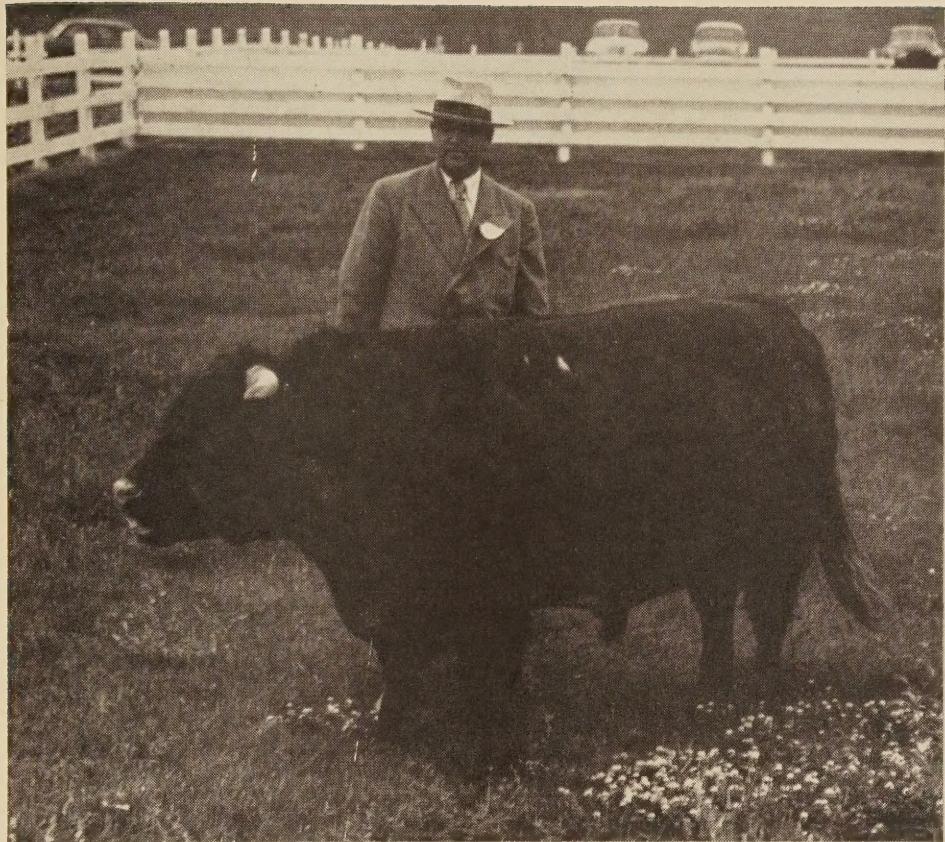

ALBERT J. HAMANN, SALE MANAGER  
ROCK RAPIDS, IOWA

**BEST 10 HEAD at the National Western Show at Denver in 1950. Exhibited by George Cox, Femco Farms, Breckenridge, Minn.**

Winning the above coveted honor at a major national show made us very proud of Femco Productions. Since this was Femco Farms really first undertaking to exhibit at major shows, it convinced us that we were breeding Shorthorns of the right kind. The size, scale, ruggedness, thickness, depth, short legs, bone and substance, yet possessing the natural fleshing and quality necessary to win, made a host of friends among the cattlemen of the west.

Included in this group were animals that have had a great influence on Femco productions. They were the two herd sires, Femco Control and Femco Metaphor. The other 8 head were all Femco productions sired by Prince Royal whose get stood second in this show. The bulls in this group have all been breed improvers, and the females are valued members of the Femco cow herd.

**GEORGE COX**, owner of Femco Farms, Breckenridge, Minn., photographed with Femco Prince Royal 3d, one of Femco's best productions, at the time of the Minnesota, North Dakota, South Dakota Field Day held at Femco Farms in 1952.

#### **FEMCO FARMS WELCOMES YOU**

When Femco Farms was established in 1946 it was our aim to produce the best Shorthorns within our power by buying the very best seed stock regardless of price. Production at Femco has been beyond our expectations. Our herd bulls sired up to or better than we had reason to believe.

We sincerely believe that our herd bulls, past and present, and great brood cows have and will contribute to the progress of the Shorthorn Breed. At least the acceptance of our productions in the major show rings and by critical buyers would lead us to believe this is true. We appreciate their confidence and shall strive to live up to it.

For this very reason, we selected a sale offering of the kind of cattle we would like to buy for our foundation stock. Included is a top proven herd sire, bulls and females that have show records and were intended for the show and breeding herd.

We like Shorthorns here at Femco and they have done well for us. We sincerely hope you will be with us sale day. We hope you will come the day before on Sunday and carefully inspect the sale animals and the large breeding herd. It is pleasant at Femco in June.

**GEORGE COX, Owner**  
**Grand Forks, North Dakota.**

# General Information

**SALE — MONDAY, JUNE 21, 1954**

**Starting at 1:00 p. m. Central Standard Time.**

**LOCATION**—Sale will be held at Femco Farms located on U. S. Highway No. 75, 5 miles North of Breckenridge, Minn., or 41 miles South of Fargo, N. Dak., and Moorhead, Minn.

**AUCTIONEERS**—J. E. Halsey, Des Moines, Iowa, and C. D. Swaffar, Tulsa, Oklahoma.

**SALE MANAGER**—Albert J. Hamann, Rock Rapids, Iowa.

**BIDS**—Mail bids and orders will be accepted by Allan C. Atlason, Sec'y American Shorthorn Breeders Assn., 7 Dexter Park Ave., Chicago, Ill., and Clem Larson, Ass'n Fieldman, Callender, Ia., Albert J. Hamann, Fieldman for The Shorthorn World, Rock Rapids, Ia., Frazier C. Biggs of the Western Livestock, 1030-15th St., Denver, Colo., or with one of the auctioneers. These men may be reached on sale day at Femco Farms, phone Breckenridge 34540.

**HEALTH**—All the females in this sale have had calfood vaccinations for Bangs, the herd has been Federally accredited for Tuberculosis, however, every animal in the sale has been tested for T.B. and Bangs within 30 days of the sale, and official health certificates and vaccination certificates will be furnished on sale day for shipment into any state or country.

**GUARANTEE**—All cattle will be sold under the standard guarantee adopted by the American Shorthorn Breeder's Association. This guarantee is printed in full elsewhere in this catalog. A breeding list, giving service sires and dates, will be provided on sale day and will take precedence over published dates in catalogs if incorrect.

Shipment will be made as soon as possible after sale. Cattle at owner's risk when sold, but every care and attention will be given until shipment is made. To avoid confusion, at the time of settlement, hand shipping instructions to clerk, also information as to whom pedigree should be transferred.

**LIABILITY**—The above guarantee will constitute a contract between the seller and buyer of each lot. Although every precaution will be exercised to protect the safety and comfort of guests of the sale neither Femco Farms nor any of their representatives, nor auctioneers, nor clerks, nor sale manager can assume any liability for accidents.

**TERMS**—Cash.

## FORM A PARTY

**Come to Femco Farms in a Group by Bringing Your  
Fellow Breeders, your Neighbors, and Friends.**

### **FEMCO FARMS ARE EASY TO LOCATE**

**BY AUTO**—Femco Farms is located on U. S. Highway No. 75 just 5 miles north of Breckenridge, Minn., or 41 miles South of Moorhead, Minn.

**BY TRAIN**—Breckenridge is on the main line of the Great Northern Railroad. Fast trains travel both ways daily between Minneapolis, St. Paul, and the West coast.

**BY PLANE**—Northwest Airlines have 4 flights daily East and West between Minneapolis and Seattle with stops at Fargo, N. Dak., which is 41 miles North of Femco Farms. Braniff Airways have one flight daily arriving at 11:50 a. m., Fargo from Kansas City. All planes and flights will be met at Fargo. Wire or phone Femco Farms, phone Breckenridge No. 34540 what time you will arrive.

**BY PRIVATE PLANE**—Those coming by private plane can land at Femco Farms which has an airstrip located straight east of the main buildings adjacent to Highway No. 75. This airstrip is laid out Northwest-Southeast, 5,000 feet by 400 feet, sod. You will find complete plane accommodations.

**HOTEL RESERVATIONS**—Hotel Wahpeton, Wahpeton, N. Dak., which is located just across the Red River from Breckenridge, Minnesota, 5 miles from the farm, will be sale headquarters. Write the manager for reservations, or if you wish, you may write Lester Jolly, Manager of Femco Farms, Breckenridge, Minn., or Albert J. Hamann, Sale Manager, Rock Rapids, Ia., and they will obtain reservations for you. In addition, there are strictly high class motel accommodations at Wahpeton. Transportation will be furnished from the Wahpeton Hotel, the motel or from the train and bus stations to Femco Farms.

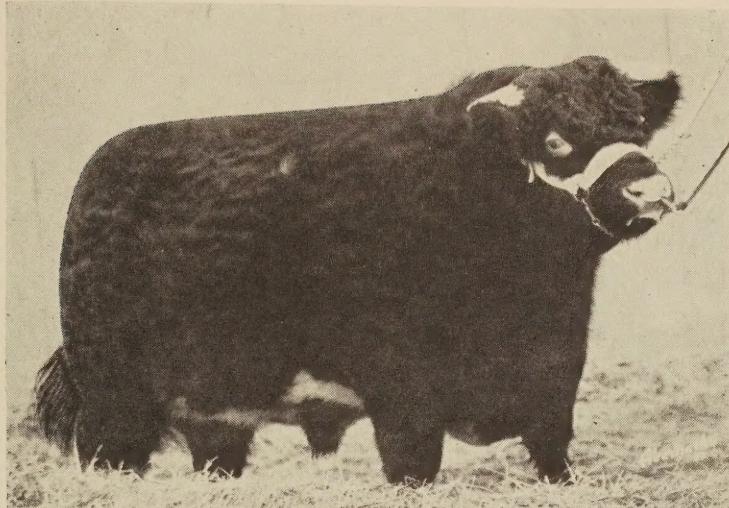

**LUNCH**—Lunch will be served at the farm.

Left to right: Mrs. Lester Jolly, Manager Lester Jolly, and Herdsman Jimmy Stewart, keeping the records up-to-date in the Femco Farms' business office. Photo on wall in background is Femco's Best 10 Head of the 1950 Denver Show.

FEMCO FARMS SHORTHORNS are raised in the rugged Red River Valley and have the vigor, stamina and health to go out and do well wherever they are placed.

FEMCO SHORTHORNS are produced by careful selection of seed stock, and by thorough and systematic plans of herd management.

FEMCO PRINCE ROYAL 3D

Grand Champion bull 1952 National Shorthorn Show, San Francisco. First prize 2-year-old and reserve senior champion 1952 International, and member of first prize Get of Sire, Group of 3 Bulls, and Winning 10 Head at San Francisco. Also first prize junior yearling at the 1951 National Show at Omaha. Bred at Femco Farms. Sire, the noted Prince Royal. His dam, Imp. Tolquhon Orange Squash, and his full sister, Femco Orangeblossom are valued members of the Femco producing herd. This bull was sold for \$5,000 to Alex C. Murray, Graysville, Manitoba, Canada.

---

## THE KIND OF SHORTHORNS IN DEMAND TODAY

Ever since George Cox established Femco Farms at Breckenridge, Minnesota, I have not failed to be impressed every time it has been my privilege and pleasure to view this great establishment and herd made up of the very best individuals with the finest Scotch pedigrees.

In developing this herd, George Cox had a definite type of cattle in mind that he wished to produce. This was cattle with all the necessary requirements of modern beef animals such as good heads, deep bodies, short legs, with thickness and balance. In addition to these things, he wanted them to have size, scale, ruggedness, bone, substance and the stamina and vigor to withstand the rugged winters of the Red River Valley. Those who have seen the Femco herd at home or on the show circuit or sale rings will agree that Femco Farms is producing this kind of Shorthorns, which are the kind in demand today.

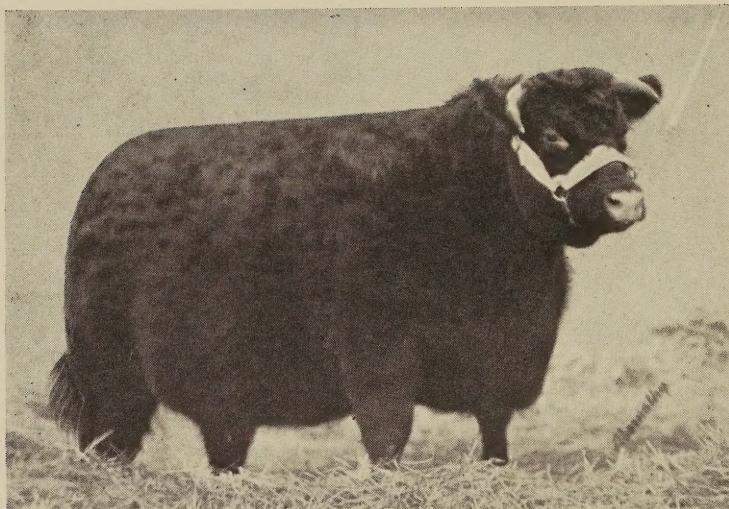

When Femco Farms decided to hold a sale it was hard for me to believe that any breeder would part with such individuals as they had selected for a sale offering. However, they wanted to hold a sale second to none and offer to the public only cattle that Femco would also be proud to keep in the herd.

I believe that if every Shorthorn lover will study the photos, pedigrees and records or progeny records of every animal in this catalog and then come to the sale, he will need no further recommendation and will want to own some of this sensational offering.

In my opinion, some of the best Shorthorns in America will be offered here.

ALBERT J. HAMANN,

Sale Manager.

FEMCO LAVENDER

By Femco Metaphor and out of Imp. Harviestoun Lavender Lilleth who is one of our valued producing brood matrons. This heifer was first prize senior yearling and senior champion female at the 1952 National Show at San Francisco. An outstanding half sister out of the same dam by Prince Royal sells in this sale.

---

In addition to the championship and Best 10 Head honors which are indicated on other pages, Femco Shorthorns made a record when at the 1952 Ogden, Utah show they won every blue ribbon. Critical buyers have found Femco herd bulls to their liking and have paid top prices for them. Some of these are:

Alex C. Murray, Graysville, Manitoba, Canada  
Williams Company, Cleveland, No. Dak.  
Kendry Gimlin, Lewistown, Idaho  
Ray Parks & Sons, Butler, South Dak.  
J. C. Price, Conrad, Montana  
Albert Dunham, Callao, Missouri  
Dr. J. C. Lemmon, Sumpter, So. Carolina  
Jim & Ruth Short, Redmond, Oregon  
Frank M. Johnson & Son, Williamsport, Ohio

We have many gratifying reports that these bulls are doing well.

PRINCE ROYAL

## HERD BULL

## FOR REFERENCE ONLY

### PRINCE ROYAL 2392705

Red, calved Dec. 8, 1945. Bred by F. W. Harding, Waukesha, Wis.; 2d owner, June 4, 1946, Geo. Cox, Grand Forks, N. Dak. RE 68.

**PRINCE ROYAL**—Although bred by the late F. W. Harding, this noted bull was imported in dam. He was sired by Cruggleton Reminder, one of the best sons of the famous Cruggleton Perfect. His dam, Drynie Brawith 36th, is by the well known Naemoor Immaculate who has sired some of the very best females in Scotland. Prince Royal was purchased as a calf at side of dam and spent his entire lifetime at Femco Farms where he made a record that places him among the great bulls of the breed. Although now gone, he has left a lasting impression on the Femco herd as his get are doing in many other herds. He sired a San Francisco National Show champion bull, an International Reserve senior champion bull, and many other champions and first prize winners. He sired 10 bulls that sold from \$2,000 to \$5,000. In this sale one two-year-old son and 20 daughters, as good as can be found in America, sell.

**FEMCO METAPHOR**—An Imp.-in-dam bull by the well known Uppermill Metaphor who was a grandson of Collynie State Express and Rosehaugh Mandarin. His dam was Princess Rose by Uppermill Autocrat. This bull was used with success at Femco Farms. He was good headed and had size, thickness, depth and a World of bone which he passed on to his get. He was second in class at Denver in 1950. In addition to many other winners, he sired Femco Lavender, the senior champion female at the 1952 National Show in San Francisco. He is now in service at the Mile-Away Ranch, Redmond, Oregon. Three of his sons and 5 of his daughters sell in this sale.

**FEMCO METAPHOR**

**FEMCO CONTROL**

A bull that gave much valuable service at Femco Farms. His sire was the International champion, Sni-A-Bar Control by the great Edellyn Campeon Mercury. His dam was the \$8,000 Imp. Pittodrie Rosewood Beauty by Bapton Upright that topped the Sni-A-Bar dispersion sale. His dam was also a sister to the \$63,000 Pittodrie Upright. Femco Control was a State Fair champion, and second in class at Denver in 1950 and sired champions and winners. In this sale 2 of his sons and 3 of his outstanding daughters sell. They have bone, substance and thickness.

**CAMSON BETTER NEWS**—This (Imp.-in-dam) Femco Farms chief herd sire is one of the great young stock bulls in America today. This bull was purchased as a calf from Campbell Farms for \$10,000. In the 1952 International he placed third in an exceptionally strong class without being highly fitted, and was one of the most popular bulls of the show. He is sired by the noted Calrossie Good News who sired the \$16,500 Leveldale Good News in the Matthers' Sale, and the much talked about \$12,600 Saltoun Silver King in the 1954 Perth Sale. A great head, tremendous quarter, thick and very short legged, this bull has all the requirements of an outstanding beef bull. In addition, he passes all these qualities along to his get. Twenty-six females in this sale will either have calves by or carry the valuable service of this great young sire who without a doubt will leave his mark upon the Shorthorn breed.

CAMSON PRINCE BOB

**HERD BULL**

**CAMSON PRINCE BOB 2690-417 -326658-**

**CAMSON PRINCE BOB**—An (Imp.-in-dam) son of the noted Cruggleton Prince Bob, and out of Primrose 38th. He was purchased at the top price of \$8,000 in the 1951 Sale of Stars after he had stood second in a strong class of bull calves at the 1951 Canadian Royal Winter Fair. He has now developed into one of the thickest, deepest and lowest set bulls you will find. As one of the chief stock bulls at Femco Farms, his use on the great daughters of Prince Royal makes an ideal combination to perpetuate the Cruggleton Perfect line. His calves are outstanding. Seven great females in this sale will either have calves by him or carry his service.

A group of 6 imported heifers in pasture at Femco Farms. The Femco breeding herd was developed from such foundation stock as this.

THE FEMCO HERD has now reached the number of approximately 275 outstanding Shorthorns. Although the herd is developed from predominately imported females, nearly all of which are still members of the herd, other outstanding top individuals have been selected and purchased whenever and wherever offered for sale.

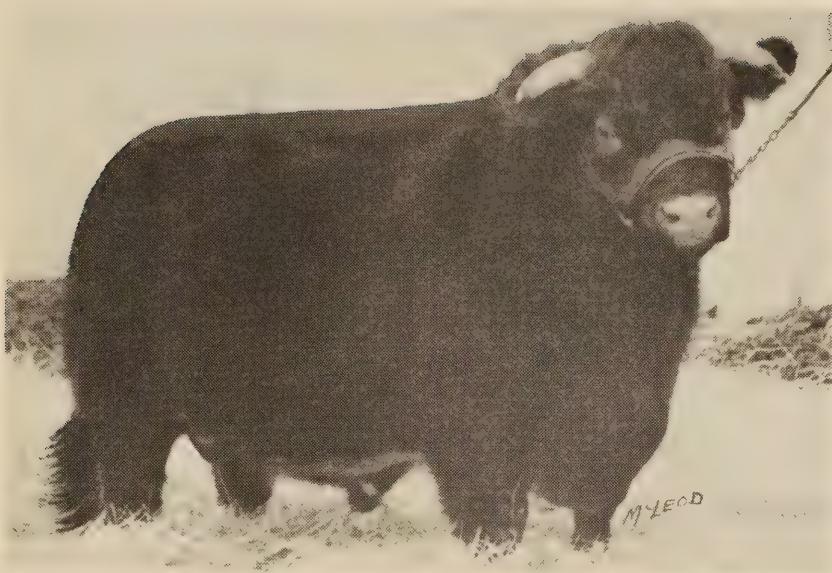

One of the really outstanding attractions of this sale are the 20 daughters of PRINCE ROYAL that are offered. These mostly out of imported dams and bred to the two outstanding bulls, CAMSON BETTER NEWS AND CAMSON PRINCE BOB, make one of the greatest opportunities to obtain a uniform group of top females to start a really outstanding new herd for some enterprising new breeder that wishes to start with the best.

Ten ten-herd entries at the 1952 National Show at San Francisco, were headed by Femco Farm's group, left. Note their broad backs, thickness of flesh and uniformity.

AGAIN in the 1952 National Show at San Francisco it was Femco's Ten Head that were at the top. Again in this group there were many individuals that have brought and will bring honor to Femco.

Included in this group were Femco Prince Royal 3d, Crimson Prince Bob, present herd sire, Levedale Dispatch offered in this sale, Femco Prince Royal 15th the National Sale top, Femco Prince Royal 21st in this sale, Femco Lavender Lady, and Femco Rothes Queen, Femco Miss Ramsden and Femco Princess Doreen all in this sale. This indicates the quality and record of the offering in this sale. Where can you find better?

**LEVELDALE DISPATCH**—(Imp.-in-dam) by the 6,000 gn. Calrossie Good News. Dam, Saltaoun Wimble 8th. He is a half brother to the \$16,500 Leveldale Good News and the \$12,600 Saltaoun Silver King in recent Perth Sale. This bull as a junior yearling was second in class at the 1952 National Show in San Francisco, and first in class and junior champion at the 1952 Montana and South Dakota State Fairs. This bull has been used liberally at Femco Farms. A son and several calves at foot by him sell in this sale. They are great prospects. In addition, there are 25 outstanding calves by him on the farm. Only because we have Camson Better News who is by the same sire is this bull offered for sale. Here is a rare opportunity to buy a proven young sire by the noted Calrossie Good News.

FEMCO METAPHOR SUPREME

WESTDRUMS SECRET SANDRA (IMP.) by the 7,000 gn. Perth champion, Cruggleton Account and out of Buttermere Secret 2d by Bapton Royal Mail. She sels with her first calf, an outstanding January 27, red bull calf at foot by the 6,000 gn. Erimus Emeritus who sired the 1953 Perth senior reserve champion bull. In addition, she will be re-bred before sale day to the \$8,000 Camson Prince Bob. This outstanding young cow with herd bull prospect at foot is one of the most valuable combinations to sell this year. She arrived at Feimco in January and was purchased for foundation purposes but is only offered so that this sale may offer the best. Here is an opportunity to buy a foundation female and settle your herd bull problem. Bull calf already recorded.

WESTDRUMS ROSEBUD RUBY

**FEMCO ORANGE BLOSSOM 3d**—Here is one of the most valuable females in the sale. She is sweet headed, deep, thick, square and lowset, with lots of style and balance. She could have been a great show heifer as she has every right to be. She is sired by Femco Metaphor who sired the reserve champion female at the 1952 National Show at San Francisco, and her dam is a full sister to one of the great bulls produced at Femco, namely, Femco Prince Royal 3d who was grand champion at the 1952 National Show, and reserve senior champion at the 1952 International, also champion and class winner at many other shows and so'd for \$5,000 to Alex Murray in Manitoba, Canada. To make this heifer doubly valuable she was bred Aug. 22 and will have a calf by sale day to the service of Camson Better News, the \$10,000 son of Calrossie Good News. No breeder can go wrong on this female.

**FEMCO AUGUSTA 3d**—A really outstanding heifer which she comes by naturally. Sired by the great bull Prince Royal, she is out of Imp. Augusta Carnation, a straight Marshall bred cow and one of our best. Cruggleton Perfect is the grandsire of both her sire and dam. This heifer is a full sister to Femco Prince Royal 16th that sold in the 1951 International Congress sale for \$2,000 to Albert Dunham, Callao, Missouri. This is a foundation female for the best of herds. She was bred Jan. 19 and will be well along in calf to the \$8,000 Camson Prince Bob who is also a grandson of Cruggleton Perfect. Probably this bred female combines the finest ideal line bred concentration of Cruggleton Perfect blood as can be found in either Scotland or America.

AIRVIEW OF FEMCO FARMS, BRECKENRIDGE, MINN. — OWNED BY GEORGE COX, GRAND FORKS, NORTH DAKOTA.

FEMCO PRINCESS ROSE 2d

FEMCO PRINCESS ROSE 2d is the kind of female rarely offered for sale and bred to produce. She is sired by that great sire of champions and tops, Prince Royal. Her dam, Imp. Princess Rose by Uppermill Autocrat is one of the best producers in the herd, being the dam of Femco Metaphor used with success at Femco and now at Mile-Away Ranch in Oregon. Femco Princess Rose 2d is a full sister to Femco Prince Royal 10th, the \$2600 champion of the 1952 Sioux Empire Sale that sold to J. C. Price, Conrad, Montana, and who sired the reserve champion bull at the 1954 Spokane sale. This heifer was first prize senior heifer at the 1952 South Dakota State Fair, and second in the 1953 North Dakota Futurity. She had the misfortune to lose a great calf by Camson Better News, but will be re-bred to him before sale day.

**FEMCO AUGUSTA 4th**—Here is a good headed, thick, well balanced daughter of Femco Metaphor and out of a daughter of Prince Royal that displays productivity at its best. She has at foot April 4th twin red heifer calves, photographed at a week old, sired by the outstanding sire Leveldale Dispatch that will sell to the highest bidder in this sale. Note the good heads and apparent quality on these calves. In addition, this heifer will be re-bred to the \$10,000 Camson Better News. Here you can buy a whole outstanding herd in one lot.

IMP. WESTDRUMS CLIPPER JANE is only a May heifer that arrived at Femco with the February importation. Despite the rigors of shipment and quarantine on a heifer this young, she displays great possibilities and will develop into a top female. She is sired by the 6,000 gn. Erimus Emeritus who also sired the 1953 Perth senior reserve champion bull. Her dam is Knowle Clipper Jean 3d by Bapton Air Mail. A sweet little heifer with which to start a herd family. Sells open.

# Memorandum

# Standard Guarantee

## OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
